1. PARTENARIAT INTERSECTORIEL

1.1 Santé

Cameron, A. (2010). The contribution of housing support workers to joined-up services, *Journal Interprofessional Care*, vol. 24, n° 1, pp. 100-110.

Kill, C. *Examining the mental health of public housing residents in Atlanta, Georgia*, Thesis (Master of Public Health), Georgia State University, 2010.

Scammell, M. K. et al. (2011). Meeting people where they are: Engaging public housing residents for integrated pest management, *Progress in Community Health Partnerships*, vol. 5, n° 2, pp. 177-182.

2. VIVRE ENSEMBLE EN MILIEU HLM

Bowen, D.J. et al. (2013). What do public housing residents say about their health?, *Progress in Community Health Partnerships: Research, Education, and Action*, vol. 7, n° 1, pp. 39-47.

Green, La Tonya M. "Living for the city": The political meaning of public housing residents' extraordinary struggle, Dissertation (Ph. D.), Massachusetts Institute of Technology, 2012.

### 2.1 Santé mentale

### 2.2 Éducation

Snyder, S. *Spatial dynamics of urban development: School competition and public housing policy*, Dissertation (Ph. D.), Purdue University, 2011, 155 p.

### 2.3 Chez-soi

2.4 Soins dentaires

2.5 ITSS

2.6 Femmes

### 2.7 Paupérisation

### 2.8 Criminalité

### 2.9 Santé physique/Obésité

### 2.10 Emploi

3. **INCLUSION SOCIALE**

#### 3.1 Promotion et expériences de mixité sociale (déconcentration de la pauvreté)

Cooper, H. L. et al. (2012). Public housing relocations in Atlanta, Georgia, and declines in spatial access to safety net primary care, *Health Place*, vol. 18, no. 6, pp. 1255-60.

Ruming, K. (2013). "It wasn't about public housing, it was about the way it was done": challenging planning not people in resisting the nation building economic stimulus plan, Australia, *Journal of Housing and the Built Environment*, pp. 1-22.

### 3.2 Mobilité sociale

Buckles, B. W. *The impact of court-ordered scattered-site public housing on residential real estate values*, Dissertation (Ph. D.), The University of Texas at Dallas, 2013, 129 p.

3.3 Perceptions

3.4 Gentrification

3.5 Espaces marginalisés

### 3.6 Revitalisation

### 4. GESTION DES HLM

4.1 Gouvernance

4.2 Plainte

4.3 Ruralité

5. POPULATION CIBLE

5.1 Déviance

### 5.2 Femmes

### 5.3 Personnes âgées

### 5.4 Enfance et asthme

### 5.5 Jeunes et toxicomanie

5.6 Jeunes et saines habitudes de vie

Research Finds Black Youth in Public Housing Are More Likely to Take Up Smoking, n° special (July 2012), *Journal of Blacks in Higher Education*.

5.7 Jeunes et activités physiques

5.8 Jeunes et prostitution

5.9 Jeunes exposition violence

### 5.10 Jeunes et santé mentale

Slashinski, M. J. The illness experiences of African Americans residing in an inner city community, Houston, Texas, *Texas Medical Center Dissertations (via ProQuest)*, 2012.

### 5.11 Réfugiés immigrants

### 5.12 Pères

### 5.13 Enfances

### 5.14 Rôle de l’État

Wilson, W. J. (2010). The Obama administration's proposals to address concentrated urban poverty, *City & Community*, vol. 9, n° 1, pp. 41-49.

5.15 Privatisation

5.16 Mixité sociale

Cooper, H. L. et al. (2013). The aftermath of public housing relocation: Relationship to substance misuse, *Drug and Alcohol Dependence*, vol. 133, n° 1, pp. 37-44.

Ryczynski, W. (2013). Redical revival: Harbor point was failed public housing-until it was rebuilt as the first mixed-income community. Twenty-five years later, What can we learn from this visionary project?, *Architect*, vol. 102, n° 8, pp. 66-77.

5.17 Promotion du HLM

5.18 Politiques urbaines locales

Oakley, D., Ruel, E. et Reid, L. (2013). "It was really hard. ... It was alright. ... It was easy." Public housing relocation experiences and destination satisfaction in Atlanta, *Cityscape*, vol. 15, n° 2, pp. 173-192.

Oakley, D., Ruel, E. et Reid, L. (2013). "It was really hard. ... It was alright. ... It was easy." Public housing relocation experiences and destination satisfaction in Atlanta, *Cityscape*, vol. 15, n° 2, pp. 173-192.
